CLIENT AGREEMENT AND INFORMATION

- IEE will not begin an evaluation before the application, required documentation, English translation (if necessary), and payment have been received.
- After application, full documentation, English translation (if necessary), and payment have been received IEE evaluations take approximately 2 weeks to complete in our office. If an evaluation is needed more quickly than that an expedited service must be ordered.
- By signing, you authorize IEE to contact your home institution(s) regarding your academic credentials and study. IEE may need to do this should further information on your qualification/program be required or should an attestation of document authenticity be required.
- IEE may request additional verification for any credential that you provide. This verification may be deemed necessary at any point during the evaluation process. This may cause your evaluation to be delayed beyond the expected due date while IEE contacts your home institution. You will be charged a \$60, non-refundable verification fee.
- IEE evaluators may request additional documentation from you at any point during the evaluation service. This may cause your evaluation to be delayed beyond the expected due date.
- Expedited service evaluations may be subject to delay, due to verification or the need for additional documentation.
- If you choose to cancel your evaluation, IEE will refund you all fees that were paid, less a \$75 cancellation (administrative) fee, less any shipping fee required for returning your original documents.
- If any part of your service has been completed when you request a cancellation, you will not be refunded for that completed service.
- You are paying IEE for a professional opinion regarding your foreign academic qualifications. If you do not agree with the final outcome of the evaluation, you will not be refunded for the service.
- IEE evaluation reports are advisory in nature and are not legally binding on any agency or institution in the United States.
- IEE evaluation reports are not accepted by every institution in the United States. It is your responsibility to verify that the institution you ask IEE to send your evaluation to does, in fact, accept IEE evaluations.
- Should you have any questions or concerns about your evaluation, please submit an email to IEE for review. IEE will review the written inquiry but cannot guarantee a revision of the evaluation. Any revision that is approved may be subject to an additional fee.
- If you mail original academic documents to IEE, IEE will return them via the shipping method you select on page 2 of the application. IEE is not liable for documents lost or damaged once they leave IEE's office.
- All academic transcripts and records that IEE receives directly from any foreign institution are the property of IEE and will not be sent to you.
- Applications which are submitted to IEE and which are not completed within 1 year will be cancelled.
- If you submit fraudulent or altered academic records IEE will not return them to you. No refund will be issued. IEE is obligated to share your name, date of birth, country, and institution name with all other NACES members in the event of confirmed fraud.
